

REMARKS

Claims 1- 27 are pending in the application. In the Office Action mailed September 16, 2005, the examiner stated that there are two distinct inventions and provided classifications for a semiconductor device (Group I, claims 1 - 10 and 15 - 27) and a method for making a semiconductor device (Group II, claims 11 - 14).

The applicants herein elect, without traverse, Group II, claims 11 - 14. Claims 1 - 10 and 15 - 27 are herein withdrawn from consideration.

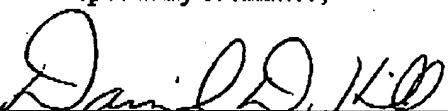

Believing to have responded to the restriction requirement mailed September 16, 2005, the Applicants respectfully request the consideration and allowance of elected claims 11 - 14; thereby placing the application in condition for allowance.

Respectfully submitted,
